FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

RE: WT Docker No. 02-100  
Ex Parte

Dear Ms. Dortch:

On October 16, 2002, Cingular Wireless LLP (Cingular) represented by Brian Fontes, Vice President, Federal Relations and Jim Bugel, Executive Director of Federal Government Affairs met with Commissioner Kathleen Q. Abernathy and John Branscome, Acting Legal Advisor, to discuss the above referenced proceeding.

In particular, Cingular urged the FCC to take action on Cingular's Petition for Declaratory Ruling (filed April 23, 2002). Cingular's representatives stressed that Cingular and Anne Arundel County, MD (County) have engaged in and continue to engage in joint constructive efforts to mitigate intermodulation interference experienced by the County's public safety communications system.

Pursuant to Section 1.1206 of the Commission's Rules, this letter is being filed with your office. If you have any questions concerning this submission, please contact the undersigned.

Sincerely,

Jim Bugel  
Executive Director-Federal Regulatory Affairs
